TEC TAYLOR AT IT AGAIN.

Chief of Detectives Albert P. Taylor, who suffered an attack of water on the knee as the result of an injury received in the discharge of his duty, returned to his office this afternoon after several days in bed. While still slightly stiff-legged he is able to be about to direct the campaign against vice.

"MAKE HAY WHILE THE SUN SHINES."

There is a lesson in the work of the thrifty farmer. He knows that the bright sunshine may last but a day and he prepares for the showers which are so likely to follow. So it should be with every household. Dysentery, diarrhoea and cramp colic may attack some member of the home without warning. Chamberlain's Colic, Cholera and Diarrhoea Remedy, which is the best known medicine for these diseases, should always be kept at hand, as immediate treatment is necessary, and delay may prove fatal. For sale by all dealers, Benson, Smith & Co., agents for Hawaii.
